

This is to certify that

Aelson Oliveira Sobral

participaded and presented the poster

Regularity In Diffusion Models With Gradient Activation

in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside Maia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Ayana Pinheiro de Castro Santana

participaded and presented the poster

Regularizing Effect for a Class of Maxwell-Schrödinger Systems

in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside Maia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Claudemir Alcantara dos Santos Junior

participaded and presented the poster

On the Liouville Property for degenerate Fully Nonlinear Equations

in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside Maia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Gustavo de Paula Ramos

participaded and presented the poster

Existence and limit behavior of least energy solutions to constrained Schrödinger-

Bopp-Podolsky systems in R^3

in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside faia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Ignacio Ceresa Dussel

participaded and presented the poster

A PRIORI ESTIMATES FOR SOLUTIONS OF g-LAPLACE TYPE PROBLEMS

in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside Maia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Jadde Thaine dos Santos Oliveira

participaded and presented the poster

Existence and regularity of the solution of a semilinear elliptic equation problema

with singular nonlinearity in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside faia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Marcos Antonio Viana Costa

participaded and presented the poster

Unbounded Continuum of Coexistence States for a Nonlocal and Nonlinear Elliptic

System

in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside Maia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Ranieri de França Freire

participaded and presented the poster

On a subspace of the Beppo-Levi space D^{1,p}(R^N_+) and applications

in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside faia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Raoní Cabral Ponciano

participaded and presented the poster

Trudinger-Moser and Adams type inequalities on weighted Sobolev spaces and

applications in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside Maia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Raquel Lehrer

participaded and presented the poster

Nonautonomous Schrödinger equations with inhomogeneous nonlinearity

in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside faia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Sandra imaculada Moreira Neto

participaded and presented the poster

Quasilinear elliptic problems with exponential growth via the Nehari manifold

method in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Pluside Maia

Liliane de Almeida Maia Chair of the Organizing Committee

This is to certify that

Vitoria Henrylla Pinheiro Souza

participaded and presented the poster

Logistic equation with Robin type boundary conditions and undefined coefficients

in the XII Workshop On Nonlinear Differential Equations, held at University of Brasília, Brasília-DF, Brazil, from 11 to 15 September, 2023.

hiliane de Almoide Maia

Liliane de Almeida Maia Chair of the Organizing Committee
